

## Mission Statement

---

The Accounting Society's mission is to help students understand and prepare for professional roles in the field of accounting and the business world. To accomplish that mission, the Accounting Society sponsors meetings and activities with the following objectives:

- Assist accounting students in the selection of an area of specialization in the accounting profession.
- Grant accounting students the opportunity to relate to individuals at all levels of the accounting curriculum.
- Provide collegiality among individuals involved in the accounting program.
- Provide service to the university and the community.
